Our sweet Josie (DOB 3/6/22, sired by Heartland Bilbo) gave birth to beautiful, strong twins in March 2023 and is an excellent mother. She recently gave birth to twins again this season and loves being a momma all over again. She's dual-registered with VBSS and VBISBAR. She is kind, gentle, quirky, and has gorgeous wool, impressive horns, and very pretty, light eyes. Although leash trained, give her a cookie and she'll follow you anywhere!

Her 2023 ewe lamb is also sired by Remarkable Albert. She is a devoted momma and the “watchdog” of the flock. She is affectionate once you earn her trust. # GABRIEL

**F3** Wether (87.5% VBN)

#ASV23003

Gabriel (DOB 3/25/23) is truly the angel of our flock. He brims with the incredibly sweet, social personality and “look” for which the Valais breed is known and loved. His dam is Fieldgate Therese, his sire is Remarkable Albert. We kept Gabriel as the sole wether in our flock to see if wethers do indeed make the ideal pets -- and they do! He is Flock 54 DNA'd (results available) and eligible for registration with VBSS (as a non-breeding F3, we chose not to register him). He would be excellent in a therapy program or with farm family who wants a fun companion with lovely wool for fiber crafts! Gabriel is leash trained.

**WE'RE NOT JUST PASSIONATE ABOUT OUR SHEEP,  
WE'RE PASSIONATE ABOUT HELPING YOU LIVE YOUR VALAIS DREAM!**

*"Andie and Ed at All Saints made my dreams come true this past year with the gift of my 3 Saints: Theo, Iggy and Max! As a first time shepherdess, I learned everything I know from her. She set my boys up for success through her nurturing attention during their first days and months. The joy that I have from these loveable, affectionate, sweet boys is because of her hard work and commitment to a truly magnificent breed-up program. I lean on her still with questions, guidance, ideas and now friendship, even though we are miles away. She's the fairy godmother to my boys and I am so lucky to have a few of her majestic boys as my woolly bears!" ~ Emily M., New Jersey*

*"Andie and Ed are truly passionate about the Valais Blacknose Sheep. The amount of knowledge and research they have acquired is truly inspirational. To say they are the best breeders in the business is an understatement. Any time day or night, if I had a question Andie would get me an answer back. We could not do this breed up program without them!"  
~ Jennifer E., Tennessee*
