**WE'RE NOT JUST PASSIONATE ABOUT OUR SHEEP,
WE'RE PASSIONATE ABOUT HELPING YOU LIVE YOUR VALAIS DREAM!**

"Andie and Ed at All Saints made my dreams come true this past year with the gift of my 3 Saints: Theo, Iggy and Max! As a first time shepherdess, I learned everything I know from her. She set my boys up for success through her nurturing attention during their first days and months. The joy that I have from these loveable, affectionate, sweet boys is because of her hard work and commitment to a truly magnificent breed-up program. I lean on her still with questions, guidance, ideas and now friendship, even though we are miles away. She's the fairy godmother to my boys and I am so lucky to have a few of her majestic boys as my woolly bears!"

~ Emily M., New Jersey

"Andie and Ed are truly passionate about the Valais Blacknose Sheep. The amount of knowledge and research they have acquired is truly inspirational. To say they are the best breeders in the business is an understatement. Any time day or night, if I had a question Andie would get me an answer back. We could not do this breed up program without them!"

~ Jennifer E., Tennessee

"We love our Valais girls we got from Andie at ALL SAINTS VALAIS BLACKNOSE SHEEP! Both ewes were healthy and have been easy to transition. Andie had all documents ready along with care packages for both girls making the move to our farm smooth and successful. We highly recommend her as a breeder.

~Jean M. Tennessee

Andie and Ed were amazing to work with! We went with All Saints because of all the positive things we read about how they were engaged with their customers and were a huge support system. We were new sheep owners, and they were so helpful at guiding us through the foundations, and even every step of the way, when we had questions or challenges, they were there to help. They truly care about giving the sheep their best life.

~Joshua and Amy K., Tennessee
